Trick or Treat ... and Shop at Lake Buena Vista Factory Stores

Orlando, FL (August 5, 2016) -- Lake Buena Vista Factory Stores will offer guests a frightfully fun and safe “trick or treating” option this Halloween, Monday, October 31, from 1-9 p.m. Participating stores will pass out treats to the children while families can shop and save up to 75% off at select stores throughout the outlet center. Prices are so low, it’s scary! Everyone is invited to join in the fun and children are welcome to dress in costume. Store front parking makes a trip to the center even more convenient.

“Having a Halloween event where parents can feel safe to bring their children is very important to us as a very family-friendly center,” said Terry Lynn Morris, director of marketing. “Parents can multi-task; safely entertain their children while conveniently tackling some of the items on their regular list and even getting a head start on holiday shopping.”

Celebrating its 20th anniversary this fall, Lake Buena Vista Factory Stores offers a fun and customer-friendly shopping experience with over 400 designer names within 50 spacious village-style outlet shops. Opened in August 1996 as one of Central Florida’s first outlet centers and a TripAdvisor® Certificate of Excellence award winner, Lake Buena Vista Factory Stores boasts 50 of the world’s best-known and sought-after outlet stores, including several one-of-a-kind retailers that can’t be found anywhere else in Central Florida: the area’s only Old Navy Outlet, Rawlings Factory Store and Eddie Bauer Outlet & Clearance Center, among others. The center’s on-site amenities include free daily scheduled shuttles servicing 66 Orlando and Kissimmee area resorts and hotels comprising 34,338 rooms, a food court, World of Coffee Internet Café, Frankie Farrell’s Irish Pub & Grille Restaurant, Travelex foreign currency exchange, an NRG EVgo Freedom Station® to power electric vehicles.
